# HOW WE WORK

 **Our services design is based on Christian faith principles.**

**The following are the six services we provide:**

### **Raising Awareness Campaign**

We have a wealth awareness programme and promote wealth initiatives through our “Power To Get Wealth Campaign”, this will help people gain knowledge of wealth empowerment; encourage the marketplace and community to explore the use of supernatural Christian faith methods and tools in building successful business.

#### **Benefit:**

The programme provides opportunities for people to receive supernatural direction.

### **Wealth Education Programme**

Our education programme offers seminars and specialist wealth school to equip people; the marketplace and community to gain knowledge and develop their skill in using supernatural Christian faith approach to build wealth. Example of our education programme is “Power To Get Wealth Seminar”; Supernatural Enterprise (Supernatural Ways of doing business) 101 and Supernatural Enterprise (Supernatural Ways of doing business) 201.

#### **Benefit:**

Participants will discover hidden treasure or wealth, divine wealth ideas, and supernatural solutions for finances.

### **Wealth Healing and Recovery Programme**

There are two pathways namely the wealth healing which focuses on intervention and crisis and a recovery option to help people explore supernatural Christian faith solutions.

#### **Wealth Healing Programme:**

It is a seminar approach to assist people to resolve and overcome negative pattern; resolving protracted problems; overcome lack of productivity, getting out of debt, regain your ability to accumulate wealth and eliminate waste, restore financial increase and overcome stagnation and “re-programme for wealth”.

### **Wealth Recovery Programme:**

It is a therapy option available to an individual is provided within a small group setting. This involves a well proven spiritual process and systems for resolving various financial problems. The programme will help the participant overcome any shortcomings; develop a new habit for building wealth.

The following are the essential steps for accessing the healing and recovery programme:

- Step 1 – Initial Need Assessment
- Step 2 – Programme Support Plan
- Step 3 – Choice of Programme
- Step 4 – After Care

### **Spiritual Support for Wealth**

This is a unique ministry to bring transformation to both the marketplace and communities. The spiritual support has **2-strands**.

As part of the spiritual support for wealth, we provide:

#### **Consultancy services for organisations and businesses:**

This service is provided through our professional level intercessory services helping our clients to increase business productivity.

### **Healing and Cleansing of Businesses:**

This is a supernatural Christian faith service for workplace to create a thriving environment and receiving spiritual direction for businesses.

### ***Wealth in the Marketplace and Mission***

There are many people who are looking for worthy causes to support, this is why we have created opportunity for people or organisation to invest in the lives and future of other people or communities.

We have two approaches to marketplace mission, we encourage “investor or wealth missionaries” to invest into a project and also we offer opportunity to not only finance projects but to participate as volunteers on a mission!

### **Benefit:**

Participants will become “Freedom From Poverty Campaigner” and a “Wealth Missionary”.

### **Community Transformation**

It is a service designed to bring transformation in the communities which has direct impact in people's lives. The aim of the service is to use diverse projects to help the less privilege or people struggling in our communities in practical ways to overcome poverty.

### **“Family Angels” Projects**

Our “Family Angels” project is aimed at helping families overcome poverty or severe financial hardship through micro-business initiative. These micro-businesses will enable such families to make a start in life and overcome hardship and lifestyle of poverty, while exploring their faith life and growth.

### **Love your neighbour project (called L.Y.N Project)**

The LYN Project creates opportunity to engage with the community to implement a social action project that will directly enhance or improve the quality of people's lives living in the neighbourhood or community.

### **Project Giving Back for Marketplace (Transform 4 Life)**

This is to encourage businesses to develop social policy and programmes as part of their corporate strategy. We are developing mission projects in UK, Europe, Africa and Asia. The mission projects are to have socio-economic advantages with sustainability agenda.

### **Specialist service**

These services primarily focus on rehabilitative work such as with ex-offenders and those recovering from addictions.

**Benefit:**

- Opportunity to become a sponsor (known as “Family Angels”) who will “adopt-a-family”
- Encourages community participation, engagement and transformation
- Businesses collaborating for the purpose of transforming communities

**Our community transformation and marketplace mission is managed by our Community Service Project arm called “Enrichment Centre.**
